Ministering to the Homeless

This is the motor-home that we purchased last month! Thank you to everyone who helped us!

April (middle) and Jennifer (Temple Baptist in Cullman, AL), give coffee to a homeless lady at her tent in Birmingham, AL.

May-June 2010

We have had a great couple of months! In March we spent a week with New Genesis Baptist Church in Douglasville, GA. I preached revival services and we also ministered to the homeless in Douglasville. Over 20 of the church members went out on the streets with us and we found many homeless men and women living in the woods. One lady even came to the Wednesday evening service.

In April we spent two days in Birmingham, AL with some members of Temple Baptist Church in Cullman, AL. We were able to reach out to over one hundred people living on the streets. We gave everyone cold water or coffee, biscuits and something out of our trailer. Everyone received a Bible and gospel tracts. It was an eye-opening experience for those who went along. We have also preached in three revivals and several other churches in the last few weeks.

Our family is very grateful to those of you who helped us purchase our motor-home that is pictured to the left. We bought it on a Thursday, left the next day and were gone for 21 days! Now it is much easier to stop in the cities we travel through and spend more time with the homeless people. April and the kids feel real safe even parked on the side of the road with me out talking to people.

We will be spending the next three weeks in the Brunswick and Savannah, GA area. Hopefully, I will be attending a crisis intervention training seminar in Savannah that will aid me in dealing with those who are mentally ill and out on the streets. We covet your prayers and support as we are in full swing for the summer.
